The sights, the voices you hear, the things you feel, and even your taste. This website is designed to enhance your taste in physics to connect you to the various physics lessons I have worked over the years. My current passion for physics is Hewitt-Drew-It! screencasts make short lessons in physics concepts. They posted here for you to enjoy... and I am convinced that the enjoyment is a big part of learning ... really learning, so you have a hunch you've learned. I am convinced that learning physics should be an enjoyable experience, even pleasurable when relationships are recognized and put together. Everything on this site is yours to enjoy.
